

Activity Fee Policy

All DASH activities are paid for at the session and not as a block of activities. The sessions cost between £1 and £5 this is to allow flexibility of attendance.

Cost for activities will be paid by cash unless organised prior to the activity.

The cost for the activity may be waived by the instructor if the service user cannot afford to pay. If this is an ongoing issue then this can continue on a prolonged basis.

If a user has forgotten their money or is unable to pay then the fee can either be waived or paid the following session.
