

HOUSING – FACTSHEET NO. 10

Habinteg

Habinteg is a housing provider. They want communities to include disabled people, offering places to live that meet their needs and provide the highest levels of independence, choice and control over their daily lives. They have a number of properties in the London Borough of Hillingdon, including Hayes, Ruislip and Pinner, but there are waiting lists. In order to apply please call: 0300 365 3100

or visit <http://www.habinteg.org.uk/main.cfm?type=APPLYFORHOUSING> for an application form.

Access a Home (Disability Housing Register).

Accessahome is an on-line housing lettings system for people seeking affordable accessible or adapted housing in the South of England. It is designed to offer wheelchair users and other people who have mobility impairments more housing options and increased choice about where they live. Applicants can use Accessahome to register their interest in adapted and accessible homes in the affordable sector. Accessahome is used by Ability Housing Association and other landlords to match applicants to vacant accessible homes. Registering with Accessahome can increase your chances of being offered a suitable accessible or adapted home.
